

We thank you for your continued support during these difficult times. Please be patient with us, as you well know, takeaway isn't "our thing" so things may take a little longer to make as we try to meet the anticipated high demand, whilst maintaining the quality you've come to expect.

Don't be offended if we refuse your order or provide you with a longer than anticipated collection time. There is only so much we can cook at the one time in our small kitchen and we won't compromise quality in exchange for volume.

Enjoy your Vincenzo's at home and we hope to see you all soon.

*Be Happy*

*Don't worry*

*Much love*
