Vino Bianco

Cervaro della Sala Umbria IGT 2019 - Castello della Sala Btl. 129
(Umbria) (92% Chardonnay, 8% Grechetto)

Niccolò Antinori bought the fourteenth-century Castello della Sala in 1940, to provide a source of white wines to match the excellence of his Tuscan reds. With the introduction of Cervaro della Sala in 1987, his dream was fully realised.

This is one of Italy's defining whites, as influential and sought after as Tignanello. Intense, complex aroma with notes of white flowers and flint, balanced by a hint of vanilla. Full-bodied and well-structured palate with notes of toast, citrus and mineral. Elegant and persistent in the mouth, this is a wine with a long life ahead of it.

Vintage Tunina 2021 - Jermann Btl. 110
(Friuli Venezia Giulia) (Chardonnay, Sauvignon Blanc, Malvasia bianca, Ribolla Gialla)

Jermann is rightly recognised as one of Italy's finest producers. Bright aromas of citrus fruits, apples and honeydew melons are followed by layers of jasmine and white blossom on the palate.

Despite the complexity of the blend, each variety adds its personality. Sauvignon Blanc's bright aromatics are complemented by the Chardonnay's texture and weight, whilst Malvasia brings an appealing floral fruitiness.

Collio Bianco DOC Luna di Ponca - Borgo Conventi Btl. 79
(Friuli Venezia Giulia) (70% Friulano, 20% Chardonnay, 10% Malvasia)

Grapes are handpicked and each varietal is processed separately and then assembled to create the blend Collio Bianco. Concentrated aromas of ripe and juicy peaches and mixed citrus zest evolve into white flowers and mineral notes.

The palate is rich and lush, showing flavours of apricot, sea salt and magnolia.

St. Michael Eppan Sanct Valentin Sauvignon Blanc DOC 2021 Btl. 65
(Alto Adige)

The epitome of premium Italian Sauvignon made from the best selected plots at the foot of the Mendel Massif.

The concentration of all aspects of this makes it one of the world's finest white wines. Its pure fruit drive, minerality and balanced acidity are formidable.

Dense bouquet of yellow fruit, gooseberries, elderflowers and ripe currants with a crunchy acidity and elegant fullness.
